CHARGED³ Geospatial Environmental Scan©

QUICK START TIPS

□ For best viewing, do **NOT** run the **CHARGED3 Geospatial Environmental Scan (Ge0EScan© PDF)** from a web browser (e.g., Internet Explorer, Chrome, Firefox, etc.) OR from a flash drive. Instead, **save the PDF to your computer and use that saved copy**.

□ The PDF is best viewed on a Windows or Macintosh desktop or laptop computer— **NOT** a phone or tablet.

□ All links in the PDF point to internal content (i.e., NO links point to external sites). See "Using Hyperlinks in the PDF" on page 6 of the **User Guide** for more details.

□ The interactive map on page 8 of the PDF may take several seconds to load.

□ To make best use of the GeoEScan© PDF, users are encouraged to review all of its tables and metadata.

□ See the **User Guide** for more details about the information the GeoEScan© PDF contains and how to access it.

Use the **current version** of Acrobat Pro® or the free Adobe® Acrobat Reader.
